Cops ‘n Bobbers Sponsorship Form

Cops 'n Bobbers ... Get Hooked on Fishing Not Drugs or Violence is an annual fishing event pairing police officers and at-risk youth for a day of fishing and fun! It is unique because fishing is a sport where you can feel a sense of immediate accomplishment regardless of their age, sex, physical or mental capabilities. Youth, who fish, find a sport that can be enjoyed with family or friends of different ages. It is also a sport that can be done individually while stilling providing a child the sense of accomplishment. Fishing offers youth a challenge and gives them the opportunity to think through their feelings and problems while keeping their hands busy. Fishing is an activity that teaches you the skills of discipline, conservation, self-reliance and patience.
