About the Loosli's

Come join the DuPage County Sheriff's Office & the DuPage County FOP Lodge # 109 to raise money for the Loosli Family.

Errik's wife Elisabeth was diagnosed with Non-Hodgkin Lymphoma while she was pregnant. Elisabeth had to deliver Mira (short for Miracle) 10 weeks early so that the desperately needed cancer treatment could begin. This has created an extreme hardship on Errik who is now the primary caregiver for his wife and new baby.

As we all know when these tragedies occur bills begin to pile up and add additional stress to an already volatile situation. Its times like these when people need help and that is what we are asking for, help for the Loosli family.

**Raffle Prizes
